Not in Attendance: Kim Behling (both would like replacements found to represent their parent position).

2. Title I Documents Review & Approval

Reviewed documents, no questions or concerns were expressed. Annual Title I documents were approved.

3. Rules of Order & Procedure Review

The Community Council reviewed forms and documentation of formal procedures while performing SCC business. We also informed new Council members of what to expect in meetings and clarification on procedures and the purpose of the SCC.

4. School Safety and Digital Citizenship Review

Student absence calls to parents are going out earlier in the day so parents are aware.

Digital Citizenship curriculum will be implemented using the Skill Struck program. Also adding Digital Literacy to the school counseling program.

No other safety concerns were shared.

5. SCC Chair nomination

Erin Lofley was voted by the council to become the 2022-23 Chair.

6. Review & Approve Minutes from 3-8-22

Minutes were approved-unanimously.

7. Expenditure Summary Report of SLT, TSSA & ESSER Plans

Plans were reviewed by SCC and better details were provided to new SCC members for better understanding of each budget and how they contribute to the planning process for Ferron Elementary.

8. Review of Current Plan

SCC reviewed this year's goal: *In the 2022-23 school year, Ferron Elementary, grades K-5, will show increased growth to 65% proficiency in reading on the Acadience (DIBELS) Comparing Populations report from BOY to MOY. Ferron Elementary, grades K-5, will show increased growth to 62% proficiency in math on the Acadience Multi-Year Percent @ Benchmark report from BOY to MOY.* We reviewed BOY DIBELS data to compare current performance versus desired EOY goal.
