### **The purposes of school community councils are:**

- To build consistent and effective communication among parents, employees and administrators
- To allow parents an opportunity to be actively involved with the school in the education of their children
- To make good school great

### **Council Responsibilities:**

- Review school data
  - Councils review group results but individual data is not shared
  - Other assessments may also be reviewed
- Develop a School Improvement Plan
- Develop a School LAND Trust Plan
- Participate in the development of the Professional Development Plan

- Advise the school administration on local school issues
- Provide an opportunity for issues of concern in the community to be presented to the school administration
- Ensure Digital Citizenship is taught to parents and students
