Ferron Elementary has started a new Incentive Program in which Good Deed/Hard Worker tickets are given to students. Good Deed/Hard Worker Tickets are another way of saying 'Thank you' for making a good behavior choice. Whether a small behavior (e.g., holding the door) or a big behavior (e.g., helping a friend who is being bullied). Good Deed/Hard Worker Tickets can help us reinforce the kinds of behaviors we want to see. Among the benefits of using the Good Deed/Hard Worker Tickets include:

1. We encourage students to continue engaging in positive behaviors and working hard.
2. We reinforce the benefit of making good choices, so that when a student faces a 'tempting' bad choice they have the history of positive interactions with staff to firm up their resolve.
3. Good Deed/Hard Worker Tickets can be very helpful to encourage students working on a behavior improvement goal to keep trying.
4. Providing praise to students helps build the positive adult-student relationship.

Once students receive a ticket they will come to the office and select which prize they would like to be put in for a raffle. There will be a monthly, quarterly and end-of-year raffle. Monthly prizes are smaller and increase in value with quarterly and end-of-year drawings.

## Reading Incentive Results
